Talks

Don't Leave a Mess. Leave a Legacy.

Signature keynote

Life is fragile and tomorrow is not promised. Natalie shows audiences how to prepare, connect and inspire today, so the people they love inherit their wisdom and stories, not a mess.

Your Story Is a Strategy

Keynote or workshop

For leaders and experts with decades of experience. How to find what you stand for, not just what you have done, and turn it into a book and message that open doors.

After the Bestseller: Why the Phone Still Doesn't Ring

Keynote or breakout

Drawn from more than 1,400 author launches. Why a ranking is not a plan, and what connects a book to visibility, trust and the next step for readers.

The Impact of One Voice

Workshop or keynote

One video, one message, one story or one book can change what someone else is able to do. A hands-on session on capturing the voices and lessons that matter, in families and in organizations.

"Natalie doesn't just publish books; she brings legacies to life. Her care, commitment, and strategy are unmatched. My book became an international bestseller thanks to her."

Dr. Stacey L. Tyler, CEO, Interactive Intelligence Corporation
